

Suggested Technology Items for School:

The following items are suggested technology equipment you may want to provide your child with.

- Kindergarten – 2nd Grade: Headphones with a 3.5 mm plug. Earbuds are not user friendly with small children and often they do not fit correctly in the child's ear.
- 3rd – 5th Grade: Earbuds or Headphones with a 3.5 mm plug.
- A storage case or baggie with the student's name on it.
